

Ranked List of Facilities

Type of Facility	Ranking Score	Ballot Count
picnic area (shelter,pavilion,table)	115	18
benches	82	14
play ground	68	10
bicycle path or trail to connect to greenway	63	12
bike racks	46	8
public art(sculpture)	39	6
trash cans (disposal)	39	8
access to water(small dock area for fishing)	36	4
lookout tower or over look (on the hill)	31	6
open area for play	29	5
lighting(especially at basketball court)	27	6
updated restrooms	22	4
barbeque pits	22	4
landscape (flowers), vegetation or garden	20	4
tennis court	18	2
building for education	17	4
food-growing, community garden	15	4
gathering places	15	2
bathrooms	14	3
model boat sailing	14	2
interpretive signs for trees	12	3
bridge(connecting path around lake)	12	2

Type of Facility (cont'd)	Ranking Score	Ballot Count
music/band shell	11	2
another pond/enlarged pond (deeper)	10	1
bird housing	10	3
soccer field	10	2
trails in the wood	10	1
movie area	9	1
walking path around water	7	1
multiuse chess checkers	7	1
habitat for blue birds and duck	7	1
parking	5	1
basketball court	5	1
recreation	5	1
label trees(arboretum)	4	1
skate park	4	1
additional use of water	4	1
kids area / fence	3	1
par course?? Geared to children	3	1
more natural looking fountain	1	1
camping	0	0
fenced in playground	0	0
dock(over the water)	0	0
mountain biking trails	0	0

This is a list of facilities to be considered for inclusion the the Lakewood Park Master Plan as ranked by participants of the public meeting held on October 29, 2008. The meeting log show that 23 citizens participated. Each participant was invited select and rank 10 items from ten (high) to zero (low). Therefore, the highest possible score on any item is 230 and the lowest possible is 0. Zero indicates that an item was listed by citizens as important but no one ranked the item among their top ten.

Ranked List of Activities

Activity	Ranking Score	Ballot Count
fishing in pond	139	17
ice skating in pond	91	14
volleyball	67	10
boats(remote control)(model boating)	55	8
education(green)	51	7
walking	51	6
horseshoes	43	7
picnicing	35	6
bird watching	33	7
hiking	32	5
community activities(outdoor movies etc.)	31	4
playground	28	4
bocce	26	5
feeding ducks	26	5
strolling/relaxing/sitting	22	3
biking(bike racks)	21	3
ecology study	19	3
family gathering	19	3
sports(softball,basket ball,volleyball)	16	3
gardening/food production	15	2
basketball	13	2
fieldtrips	13	2
outdoor meeting/show	13	2
sledding	13	3
shuffle board	12	2
skate boarding	12	3
archery	11	2

Activity (cont'd)	Ranking Score	Ballot Count
dog walking	11	2
geocaching	11	2
activities involving the water	10	1
fitness stations(dance)	9	1
fly fishing lessons	9	1
interactive physical"obstacle course"	9	1
camping	8	2
hopscotch	8	1
parties(birthday parties,picnics)	8	2
grills	7	1
aquatic nature studies	6	1
soccer practice	6	1
tennis	6	1
art shows	5	1

night use	5	1
city sponsored gatherings(town hall meetings)	3	1
pick-up softball/kickball	3	1
pond/stream wading	3	1
4th of July or other celebration	1	1
adult kickball	0	0
blue bird houses	0	0
kids sail boat races	0	0
socializing	0	0
softball	0	0
swimming	0	0
tai chi classes	0	0

This is a list of activities to be considered for inclusion the the Lakewood Park Master Plan as ranked by participants of the public meeting held on October 29, 2008. Our meeting log shows that 23 citizens participated. Each participant could rate any item as high as ten (10) or as low as zero (0). Therefore, the highest possible score on any item is 230 and the lowest possible is 0. Zero indicates that an item was listed by the citizens as worthy of consideration, but did not rank among the top

Ranked List of Issues

Issue	Ranking Score	Ballot Count
parking-street	122	17
water quality	95	11
connect to greenway	76	11
pond silt-reclamation of pond	67	0
beauty-by changing pond,water flow,landscaping	65	0
determine fish species	42	8
concrete trench	39	0
handicaps accessible	31	0
accessibility/pathways	31	4
water accesibility	30	4
safety	29	5
lack of lighting	25	4
education opportunities	20	3
the park is very exposed	20	4
pedestrian flow	19	3
flow of water down culvert instead of into pond	18	2
flow of Murry Run	18	0
pond scum	16	0
traffic	16	2
lack of seating	16	3
natural habit for birds,animals	14	2
sidewalk repair	12	2
visual draw	11	2
depth of water	10	2
maximize the pond	10	1

Issue (cont'd)

Issue (cont'd)	Ranking Score	Ballot Count
make park more interesting for walking,visual barrier to road	10	2
over growth	10	2
viability of pond	10	1
no connection to the water	9	1
inflow and outflow	9	1
restroom maintenace	9	2
access(busy road)	8	2
concret fence	7	1
making playingfields usable	7	1
lack of natural feel	7	2
lawn use	7	1
park monitors	6	1
no fishing	5	2
bathroom	4	1
pond "critters"	3	1
bike rack	2	1
bridge over dam	2	1
dog waste-removal	1	1
use-age of groups-parents/retirees/pet owners/children all ages	1	1
noise control from street	1	1
grading (for activities)	0	0
maximum use of all the area	0	0
barbwire fence	0	0
stone landscape for interest(plants+rock sculpture)	0	0
have signage--show greenway connection	0	0
fallen tree	0	0

This is a list of issues considered to be important in the Master Planning for Lakewood Park as developed and ranked by participants of the public meeting held on October 29, 2008.

List of Facilities by Apparent Categories

General Recreation	Ranking Score
	318
picnic area (shelter,pavilion,table)	115
